++ Valid for broadcast between 0600 and 1800

Headline:
Brightest in the west. Mainly cloudy in the east.

Today:
Lothian and the Borders will be mostly cloudy, a little light rain or drizzle possible in the Borders. Brighter through Dumfries and Galloway, perhaps some sunshine at times. Chilly near North Sea coasts, but pleasant in any sunshine. Maximum temperature 14 deg C (57 deg F).

Tonight:
Variable cloud cover, some patchy mist and hill fog. The best of the cloud breaks initially through Dumfries and Galloway, but a few clearer spells in the east later. Minimum temperature 4 deg C (39 deg F).

Saturday:
A dry and bright day with some sunny spells. The best of the sunshine through Lothian and the Borders and feeling warm. Cloudier further west, early mist and hill fog. Maximum temperature 16 deg C (61 deg F).

Outlook for Sunday to Tuesday:
Dry and bright on Sunday. Rather cloudy on Monday with a few showery bursts of rain pushing through on the fresh southwest winds. Rather cloudy by mainly dry on Tuesday.
